

Accessing Prescription and Dispense View

Note: These steps assume that your software is connected to the My Health Record system, the patient has a My Health Record and their individual healthcare identifier (IHI) has been validated in your system.

STEP 1:

To access the patient's My Health Record:

- Select the **patient widget** (top-left corner)
- Then select **My Health Record**.

The screenshot shows the mme patient dashboard for KENNEY, REIDAR, Mr. The 'Patient Widget' is highlighted in the top right corner. The 'My Health Record' option is highlighted in the 'Procedures' section of the 'Clinical' menu.

STEP 2:

Click on **Prescription & Dispense**.

The screenshot shows the 'My Health Record Documents' page for KENNEY, REIDAR, Mr. The 'Prescription & Dispense' tab is highlighted in the bottom navigation bar.

STEP 3:

You can then apply filters to refine your search.

The screenshot shows the 'Prescription and Dispense View' for FRANK HARDING. The search filters are set to 'Between Dates' from 01/01/2018 to 16/04/2018, and 'Group By' is set to 'Prescription'. A table of prescriptions is displayed below.

Prescribed	Medicine Details	First Dispense	Last Dispense	Dispensed
unavailable	Panadol	3-Apr-2018	3-Apr-2018	unavailable
unavailable	Tenaxil SR	28-Mar-2018	28-Mar-2018	unavailable
unavailable	Amoxil	26-Mar-2018	26-Mar-2018	unavailable
unavailable	fluconazole	22-Feb-2018	22-Feb-2018	unavailable

Prescription and dispense records contain information about medicines prescribed and dispensed by a healthcare provider. This view can display the name of a medicine (both the brand name as well as the active ingredients), the strength of the medicine, the directions and the form of the medicine prescribed. It can also display the date a medicine has been prescribed, the date it has been dispensed and the number of repeats available on the prescription.
