

Accessing the Medicare Overview

Note: These steps assume that your software is connected to the My Health Record system, the patient has a My Health Record and their individual healthcare identifier (IHI) has been validated in your system

Option 1: for users of Genie via the NASH approach

STEP 1:

In the patient's clinical record, click the **My Health Record icon** to gain access, then select the **My Health Record tab**.

STEP 2:

Click the **View Document List button**.

Note: You can filter the list by document type, date range, and author name or HPI-I. If you select new filter(s), select **View Document List** again to apply.

Tip: Alternately, you may have the option (dependent on your software set-up) to view the patient's My Health Record by clicking on the **Open in Browser** button, this will then display as per option 2, step 2 below.

STEP 3:

Select either **Medicare Overview -all** or **Medicare overview -past 12 months**.

Double click to open and view the document.
