

Accessing Advance Care Planning Information

Note: These steps assume that your software is connected to the My Health Record system, the patient has a My Health Record and their individual healthcare identifier (IHI) has been validated in your system

STEP 1:

To gain access to the patient's My Health Record, either:

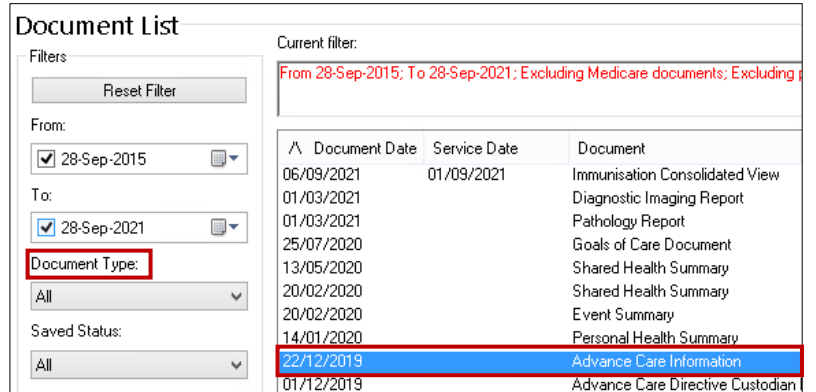

- Select **My Health Record** tab, then **View Document List** from the drop-down menu; or
- Click on the **My Health Record** button.

STEP 2:

The document list window will appear. You can sort the document list by **Document**, or you can filter by **Document Type** on the left-hand side of the window (subject to any date parameters that have been set).

Once it is visible in the list, click on **Advance Care Information** to view the document.

STEP 3:

An **Advance Care Plan/ Directive** will display information related to a person's wishes for future medical treatment. It may also include the details of a custodian they have nominated to share this information with. Click on the hyperlink to view the document.
