

# Accessing Immunisation Information

*Note: These steps assume that your software is connected to the My Health Record system, the patient has a My Health Record and their individual healthcare identifier (IHI) has been validated in your system*

<p><b>STEP 1:</b> To access the patient's My Health Record, click on the <b>MyHR</b> button and enter your Staff ID and Password.</p>																										
<p><b>STEP 2:</b> If the <b>My Health Record Access</b> pop-up appears, select <b>Gain Access (to all "General Access" eHealth record or documents)</b> and click <b>OK</b>.</p> <p>Alternatively, if the patient has an <b>access code</b>, enter this here and click <b>OK</b>.</p>																										
<p><b>STEP 3:</b> Select the <b>Document Search</b> tab. The <b>Immunisation Consolidated View</b> will appear within the document list, you may need to scroll to the end of the list.</p> <p>Click to view the document.</p>	 <table border="1" data-bbox="592 1556 1479 1709"> <thead> <tr> <th>Service Date</th> <th>Document</th> <th>Organisation</th> <th>Organisation Type</th> <th>NTIS Coding</th> </tr> </thead> <tbody> <tr> <td>03/11/2017</td> <td>Discharge Summary</td> <td>MEDTESTORGSB115</td> <td>Hospital (except psychiatric or veterinary hospitals)</td> <td></td> </tr> <tr> <td>30/08/2021</td> <td>Pathology Overview</td> <td>My Health Record</td> <td>Provision and administration of public health program</td> <td>Pathology Overview</td> </tr> <tr> <td>30/08/2021</td> <td>Diagnostic Imaging Overview</td> <td>My Health Record</td> <td>Provision and administration of public health program</td> <td>Diagnostic Imaging Overview</td> </tr> <tr> <td>30/08/2021</td> <td>Immunisation Consolidated View</td> <td>My Health Record</td> <td>Provision and administration of public health program</td> <td>Immunisation Consolidated View</td> </tr> </tbody> </table>	Service Date	Document	Organisation	Organisation Type	NTIS Coding	03/11/2017	Discharge Summary	MEDTESTORGSB115	Hospital (except psychiatric or veterinary hospitals)		30/08/2021	Pathology Overview	My Health Record	Provision and administration of public health program	Pathology Overview	30/08/2021	Diagnostic Imaging Overview	My Health Record	Provision and administration of public health program	Diagnostic Imaging Overview	30/08/2021	Immunisation Consolidated View	My Health Record	Provision and administration of public health program	Immunisation Consolidated View
Service Date	Document	Organisation	Organisation Type	NTIS Coding																						
03/11/2017	Discharge Summary	MEDTESTORGSB115	Hospital (except psychiatric or veterinary hospitals)																							
30/08/2021	Pathology Overview	My Health Record	Provision and administration of public health program	Pathology Overview																						
30/08/2021	Diagnostic Imaging Overview	My Health Record	Provision and administration of public health program	Diagnostic Imaging Overview																						
30/08/2021	Immunisation Consolidated View	My Health Record	Provision and administration of public health program	Immunisation Consolidated View																						
<p><b>STEP 4:</b> The <b>Immunisation Consolidated View</b> will display with the <b>Australian Immunisation Register (AIR)</b> tab displayed by default.</p>	 <p><b>Immunisations - sorted by date</b></p> <p>This view shows available Immunisation related information for this patient with links to the source document for more details. <b>Important:</b> This view should not be relied on as a complete record of immunisation information.</p> <p>View generated on 17-May-2021 13:14</p> <p>Click here for <b>Australian Immunisation Register</b> Displays all the immunisation information recorded in the Australian immunisation register</p> <p>Click here for <b>Immunisations Summary</b> All the immunisations recorded in both the Australian immunisation register and this My Health Record</p> <p>Click here for <b>Shared Health Summary</b> 13-May-2021 (4 days ago) <b>Author:</b> Dr Phillip Lang <a href="#">Test Health Service 440</a> tel:0730230000</p> <p>Click here for <b>Event Summary</b> 09-Nov-2020 (6 months ago) <b>Author:</b> Dr Terrance Walker <a href="#">Test Health Service 743</a> tel:0455555555</p>																									

Details of a patient's immunisation status including details of next immunisation(s) due will also be displayed if recorded in AIR.

The **COVID-19 Immunisation Status** field displays as:

- 'This individual has **not** received all required COVID-19 vaccines' if someone has had only one vaccine; or
- 'This individual has received all required COVID-19 vaccines.'

If no COVID-19 vaccines have been received, the status isn't displayed.

If there is additional information recorded in AIR, this is displayed in a **Notices** section. This may include details about immunisation exemptions or participation in vaccine trials.

<b>National Immunisation Program (NIP) status:</b>		up to date
<b>COVID-19 Immunisation Status:</b>		not up to date
<b>Next immunisation/s due</b>	<b>Date due</b>	
Comirnaty	02 Apr 2021	
<b>Notice/s</b>		

**STEP 5:**

Click on the **Immunisations** tab to access available immunisation information recorded in the Australian Immunisation Register and held in any shared health summaries or event summaries in a patient's My Health Record.

*You can click on any hyperlinks within the immunisations list to view the original source document.*

From this view you can also access the most recent **shared health summary** and **event summary** that contain immunisation information.

<b>Australian Immunisation Register</b> Displays all the immunisation information recorded in the Australian immunisation register	<b>Immunisations</b> All the immunisations recorded in both the Australian immunisation register and this My Health Record	<b>Shared Health Summary</b> 28-Sep-2020 (7 months ago) <b>Author:</b> TEST SYSTEM ADMINISTRATOR <a href="#">DHSS495</a> tel:02 9690 8666 fax:02 9690 8010	<b>Event Summary</b> 09-Nov-2020 (6 months ago) <b>Author:</b> Dr Terrance Walker <a href="#">Test Health Service 742</a> tel:0455555555 <i>* More recent than the Shared Health Summary</i>
