## Searching, Viewing and Saving MHR Clinical Documents

## Note:

- a) These steps assume that your software is connected to the My Health Record system, the patient's Individual Healthcare Identifier (IHI) has been validated in your system, and the patient has a My Health Record.
- b) My Health Record was previously known as the Personally Controlled Electronic Health Record (PCEHR). PCEHR still appears in MedTech software.

1.	In the patient's local medical record, select the <b>PCEHR</b> tab, then select <b>Download</b> <b>eHealth Document</b> .	ManageMy	/Health PCEHR <u>C</u> AT <u>W</u> indow	PCEHR       CAT       Window       Help         PCEHR Status         Download eHealth document         Create and Send eHealth document         Prescription and Dispensing         Medicare Overview         Observation View         Health Check Schedule         Representative List         Audit View	-
	The <b>Documents to</b> <b>Download/View</b> List will appear.	PCEHR Docume           Document Date Servic           22 Nov 2016           22 Nov 2016	ents to Download/View - D nay not be a complete list of do be Date Document eHealth Dispense Record eHealth Prescription Recor Shared Health Summary Specialist Letter eHealth Dispense Record eHealth Prescription Recor e-Referral Discharge Summary	ERRINGTON Caleb (218) - 80036 cuments relating to this patient  Drganisation Medical Center Medical Center Pharmacy Medical Center Medical Center Medical Center Medical Center Medical Center Medical Center	0800   Organisation Type General Practice
2.	You can filter the documents list by <b>Document ID, Date</b> <b>Range, Author</b> (Provider), Status, and <b>Document Type</b> . To filter, select the <b>Filter</b> icon (top-left corner), then set the parameters and select <b>OK</b> .		Document ID: From Date: 04. To Date: 04.
