

Accessing the Medicare

Note: These steps assume that your software is connected to the My Health Record system, the patient has a My Health Record and their individual healthcare identifier (IHI) has been validated in your system.

STEP 1:

To access the patient's My Health Record, select the green 'MHR' **My Health Record** icon above the **Summary Views** panel

STEP 2:

The **My Health Record Documents** screen will appear with the **Clinical Documents** tab displayed by default. This shows the list of recent documents in the patient's My Health Record.

You can filter the list by document type by selecting the **Filter by** button then click to expand **Medicare Documents**. Tick the relevant document types then click **OK**. Click **Refresh** to apply the new filters.

STEP 3:

Select the **Medicare Overview** document you wish to view and double click **View Document**.
